Chief Appraiser report

Submitted by Wayne Waldron

Board of Equalization, the IGA has been signed by both Brooks and Thomas County. We should be starting hearings soon, 2024 appeals. (same as last month)

Almost at the end of the current fiscal year in good shape with the budget.

Estimated roll back rates were received by all jurisdictions except the School Board. School intentionally did not provide ERR to keep the estimate of taxes on the notice. I spoke with a board member who stated they felt that was the most transparent and informative of the option available.

We have been busy with data edits and updates for HB581 the notices are ready to be approved and we do not anticipate any issues.

I spoke with Cindy Godwin, our GMASS project manager, this morning. Everything is going as planned. She plans to have people start here Friday or Monday at the latest and will be finished before the end of the month.
