

Invitation to Bid for Brooks County Road Maintenance & Support Services

Brooks County, GA, is seeking qualified contractors to submit bids for the provision of integrated road maintenance and support services. The County requires a comprehensive solution to address various road maintenance activities, including dirt road grading/ditching, road sign maintenance, response to road emergencies, county bridge vegetation maintenance, blacktop/paving projects, surface repairs/pothole correction, roadside tree removal, culvert maintenance, outlet ditch cleaning/cutting, bushing of backside ditches, material acquisition/transport, assessment of roadway safety, and facilitation of heavy equipment maintenance needs. The purpose of this Request for Bids (RFB) is to identify a contractor who can meet the County's requirements and provide efficient and effective road maintenance services. Contractor will be responsible for determining and providing all staffing, vehicle, and equipment (beyond equipment provided by Brooks County) needed to provide all the required services.

General Project Information:

State Road Miles: 113.99

County Road Miles: 602.67 mi

Paved Roads: 235.72 mi

Dirt Roads: 366.95 mi

Submission Deadlines:

One (1) original of the complete signed submittal must be received by the deadline. All submissions for this request must be received in a sealed envelope stating on the outside, the contractor's name, address, and the Invitation to Bid (ITB) title. All submissions must be delivered, as stated below, no later than:

**Wednesday, August 16, 2023
No later than 1:00pm EDT**
